

Director's Overview

Here's a step-by-step look at what you'll do as Director.

Step 1: First, check out the items in your Starter Kit.

- **Director Manual** gives you everything you need to know to make your Journey to the Cross a success!
- **Leader Guides** for your four Leaders make it easy to delegate responsibilities for outreach, setup, experiences, and the preschool experience.
- **Journey to the Cross Publicity CD** overflows with high-quality art, forms, and publicity tools for attention-grabbing ways to invite your whole community.

Your kit also includes samples of these fun outreach tools and items:

- **Collector Cards** are collectible cards that guests will receive at each station. They offer instructions for families to follow at each station and reiterate the point: Jesus is alive today and he loves you. You'll need set of Collector Cards for each guest.
- **Journey to the Cross Zipper Pulls** give every guest a special reminder—and a great conversation starter!—with the message presented at Journey to the Cross—Jesus paid for our sins on the cross. He's alive today and he loves you!
- **Journey to the Cross Family Time Together Book** is a perfect gift to send home with families. The book offers simple pointers on how to turn everyday moments into meaningful family time, as well as 10 totally doable family devotions themed around the message of Easter.

Complete ordering information is available at the Journey to the Cross website (group.com/journeytothecross), or call us at 800-447-1070 and we'll walk you through the process.

Step 2: Choose Your Journey to the Cross Leaders.

You'll choose these four key people for your Journey to the Cross Leadership Team: Outreach Leader, Setup Leader, Experience Leader, and Preschool Experience Leader—and perhaps more if any of these four roles are shared. The chart on page 10 describes each Leader's responsibilities. Challenge the most capable people you know to step up. Be sure those you invite are known for following through on their commitments and can manage people and tasks. Give each Leader the appropriate Leader Guide.
